Reviewer Index

The stringent review process has helped make JOPERD *the most widely respected, refereed journal in its field. The dedication of the professionals who serve as reviewers enables* JOPERD *to maintain its high standards. Each professional listed below reviewed one or more manuscripts between October 1, 2009, and October 1, 2010. If any reviewer has been inadvertently omitted, we ask that he or she notify us, and we will publish a correction.*
